

KENTUCKY RECYCLING COALITION

SCAN ME

The Kentucky Recycling Coalition (KYRC) represents a unique opportunity to put your organization's stamp onto a new and growing movement—to bring every entity that touches on the broad field of recycling under one umbrella, to promote and grow a circular economy in our beautiful state.

OUR MISSION

The mission of KYRC is to promote and advance waste diversion, reduction, reuse, recycling, and a circular economy through statewide collaboration, education, and networking.

OUR VISION

Our vision for the commonwealth is for every Kentuckian to have convenient access to the services and resources necessary to reduce their waste through reuse, recycling, and composting.

OUR GOALS

UP
Kentucky's
recycling rate

Connect industry

government

academic
institutions

non-profit

& others

to improve recycling and
promote a circular economy

Provide technical
assistance to members
through networking
and collaborating
